

# AIR PIX

## POWERBANK SLEEVE

Lightweight 5000 mAh  
Protective Recharging Dock

### Always be ready to fly!

The pocket-sized AIR PIX Powerbank Sleeve makes sure your AIR PIX is always powered-up and prepared to take that spontaneous and spectacular selfie.

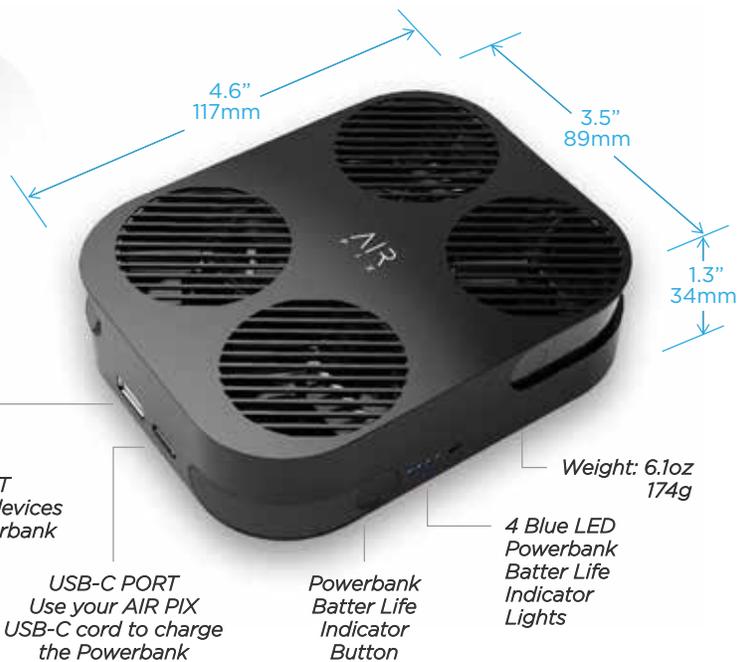

AIR PIX slips into the powerbank sleeve and the powerbank sleeve slips into your pocket keeping your AIR PIX protected and fully charged and always ready to shoot.

5000 mAh  
Li-Po Battery

**6** Full  
AIR PIX  
Charges!

### AIR PIX PERFORMANCE POWER

5v 2.1A	mAh Output
15 Mins	AIR PIX with zero power to ready for flight
35 Mins	AIR PIX with zero power to full charge
15 Mins	Powerbank recharge time to provide a full charge to AIR PIX

Get the Powerbank only or save when you get the AIR PIX with Powerbank combo set.

### THE POWER OF ATTACHMENT!

During the massively successful AIR PIX Indiegogo campaign over 60% of AIR PIX backers also selected the AIR PIX Powerbank!
